SAW

Jeff Boerboon - After fifteen years envisioning the concept, he assembled the Dream Team to turn the YAK110 from Vision to Reality. Owner of the Red Yak55.

Eddie Saurenman - Within the deep engineering experience of Aero Works, the key aircraft structures were designed, developed and produced.

Dell Coller - A veteran builder of Jet/Propeller airshow aircraft. Under his skilled hands and watchful eye the YAK110 took shape ... and flight.

Chad Bartee - An aerobatic pilot, entrepreneur and aviation enthusiast. He brought forward his knowledge of process, project management and capital to guide the building process to success.
Owner of the Blue Yak55.
